

KANVAS SLED CHAIR

CODE: RES169

SPECIFICATIONS

W460 D500 H790

PRODUCT DESCRIPTION

Kanvas is a contemporary, lightweight, stackable chair. It has a sleek lean design and glossy finish with a beautiful sculpted back. It has a gently controlled flex that moves with the users bodyweight to provide comfort, even for extended periods. Kanvas is perfect for high density applications such as training and conference, auditoriums and educational.
