

ERGERITE CHAIR

CODE: RES214

SPECIFICATIONS

W345 D390 H460 (seat)

PRODUCT DESCRIPTION

The Ergerite Chair is a high quality chair that is designed with durability and quality in mind. The easy to clean polyethylene is also UV stable. The chair design features a single piece mould, so there are no screws or welds that can come loose. Also features back ventilation and a rounded front seat edge for extra comfort.
