BATGER – THE RIGHT ANSWER

STUDENT ACCOMMODATION

Batger is one of Australia's leading manufacturers of student accommodation furniture. We understand the importance of student lifestyle and the need for comfort and security when living away from home.

Living spaces vary in shape, size and purpose, so do furniture requirements. We have a long history of successful collaboration with developers, architects and builders, ensuring the highest outcomes are met - on budget and on time. We manufacture in Sydney and can custom build to specification.

PEACE OF MIND

We give all of our clients total peace of mind by ensuring they know exactly what they are getting prior to manufacture. Once we are awarded

a project we create a set of drawings for your review, on approval of these we create a sample suite for your approval. Only once the sample is approved will we manufacture the furniture for the project.

AUSTRALIAN MADE

We believe that Australian-made quality and world-class standards should be affordable, and our competitive prices reflect a commitment to making furniture of this standard available to every college and boarding house.

It is never too early to contact us for some obligation free friendly advice. We can assist with initial costings, options, floor plans and furniture design.
