

ViewSonic Tribe - 4K Webcam Soundbar & Mic

CODE: RE-AVCCAMVS

PRODUCT DESCRIPTION

The ViewSonic All-in-one conference camera is designed to enhance the video meeting experience for all the participants. Its 4K UHD resolution and 121 super wide-angle lens efficiently capture the whole room regardless of seating arrangements.

The voice tracking feature of its built-in microphone paired with a 5x digital zoom ensures that the speaker will always be in frame. It comes complete with an 8W speaker and a 4 array microphone with noise and echo cancellation technologies to ensure participants can hear and be heard loud and clear.

KEY FEATURES

- Automatically focus framing on narrator during the conference through voice tracking.
- Automatically adjust the frame based on attendees' seating with up to 121 wide-angle FOV.
- 4K UHD resolution and 5x digital zooming.
- Multiple mounting options to fit in all meeting room setups.
- Stereo speaker and 4 array microphone with 3A audio (Acoustic Echo Cancellation, Automatic Noise Suppression & Automatic Gain Control)

SUPPORTED VIDEO FORMAT

- Color System Compression: H.264 / MJPEG / YUY2
- Max. Resolution Video: 4K@30fps, 1080P@30fps, 720P@30fps, etc
