MADE IN AUSTRALIA

TRUPOS **EXCEL**

TRUPOS EXCEL

The Trupos Excel has set the standard in student seating in Australia with its unique contoured back shape, which promotes optimal student posture and comfort.

It is now available in eight contemporary colours (in all sizes) to compliment your current colour scheme or create your dream learning space.

The Trupos Excel is lightweight but extremely durable. It stacks twelve high and has an optional trolley available making it easy to store and transport.

The Trupos Excel chair is proudly made in Australia by Batger.
