

REC201

Charges 16 devices

REC202

Charges 32 devices

PRODUCT DESCRIPTION

Charge your devices within a small footprint with this ultra-durable and flexible charging cabinet for mobile devices.

Charges Chromebooks, iPads, tablets, laptops, and more.
 Efficient device storage and charging.
 Designed for simple setup, easy use, and long-lasting durability.
 Pair your charging cart with our recommended Lockdown Kit (REM16)— a heavy-duty chain and floor-anchor set that keeps your cart fixed in place. Ideal for high-traffic classrooms and shared spaces where security is a priority.
