

DISPLAY PANELS/DIVIDERS

RED07 | MOBILE DISPLAY PANEL

The Mobile Display Panel is crafted to NSW Department of Education standards, combining mobility, and functionality. Ideal for classrooms, hallways, or staff areas, it provides a flexible way to showcase student achievements, learning resources, or important announcements.

SPECIFICATIONS

W1600 D500 H1300

RED15 | FULL HEIGHT DISPLAY PANEL

Built to NSW Department of Education standards, this taller version offers greater display capacity while maintaining the same durable, mobile design as the standard model—ideal for showcasing student work, notices, and resources in any learning space.

SPECIFICATIONS
