PRODUCT DESCRIPTION

The Plantation 4-Leg Meeting Table is designed to elevate any professional meeting space with a perfect balance of style, durability, and functionality. Crafted with a solid structure and a refined rectangular shape, it accommodates everything from one-on-one discussions to large corporate presentations with ease. Featuring a 25mm E1 grade melamine top with matching 2mm PVC edge, black powder-coated housing, and natural solid oak legs sourced from FSC-certified timber, this table ensures both sustainability and strength.

AVAILABLE TOPS
