

PRODUCT DESCRIPTION

The Universal Chair Trolley is designed to safely transport and store stacked chairs with ease. Its sturdy steel construction and rear stabilising frame provide added support and balance, while durable wheels allow for smooth manoeuvrability. Designed for versatility, the trolley accommodates a wide range of chairs across the Batger range, including Trupos Excel, Trupos and Shell Chairs, making it ideal for classrooms, halls and multipurpose spaces.

FEATURES

- Universal design compatible with a wide range of Batger chairs
- Suitable for Trupos Excel, Trupos and Shell Chairs
- Safely carries and stores stacked chairs
- Rear stabilising frame for added balance and support
- Heavy-duty steel construction
- Lockable castors
