

Straight Workstation not included
RET200 **W1200 D735 H720**

PRODUCT DESCRIPTION

The Hutch Unit is the ideal add-on for desks where extra storage is needed. Designed to sit neatly on top of a desk, it provides accessible space for books, folders, and essential teaching or office materials. Pairs neatly with the RET50 Teachers Desk or RET200 Straight Workstation. A practical storage solution for classrooms, staffrooms, or office spaces.

*Note: For premium colours, see swatches brochure [here](#).
Custom colours available on request.*
