

TIMBER LOCKERS

PRODUCT DESCRIPTION

Strong and durable timber lockers built by Batger, tried and tested for over 40 years. Heavy-duty steel frame versions are also available.

Standard timber lockers feature a polished timber (MDF) carcass with a wide range of door colours to choose from. White and other coloured carcasses are also available. Mix and match carcass and door colours from the swatches below.

Available bases include treated pine (outdoor), 50mm kicker (indoor) and steel frame stands.
